

B&Q Bulb Types

Energy Savers

Bulbs that save money and the planet. Choose energy efficient bulbs to effectively illuminate any room, and help the environment too. The long life lighting choice.

Halogen

Powerful and bright multi-use bulbs. Strong and crisp illumination to add brightness and sparkle to key areas in the garage, kitchen and bathroom.

B&Q Lighting Moods

Bathroom Lights

Focused directional spotlights or lighting clusters are the perfect way to create bright and practical illumination in the bathroom.

Children's Rooms

The fun and safe lighting solution for any child's room. Add some colour and humour into your kid's bedroom or playroom. Where stated, lights are safe for unsupervised use by children.
